

Equinox Healing Field

A feast for the senses awaits you. Kirby Seid & Hillary Lynne introduce the Holotope experience, a light and sound offering that facilitates deep altered states from which you can receive insight, answers and healing. Afterwards, recharge your batteries with a sound bath facilitated by wizard Bruce Hauschildt and healing practitioner Julia Bystrova. Receive from a multi-dimensional field of healing intention. Hosted by EoMega in collaboration with Era of Care & Ancient Technologies.

Doors open at 6:30pm

Monday, March 21, 2016

7:00-8:00pm Envisioning with the Holotope

8:00-9:00pm Sound and Energy Bath
