

# Amplify Your Healing Field this Spring Equinox!

A feast for the senses awaits you. Introducing the Holotope experience, a light and sound offering that facilitates deep altered states from which you can receive insights, answers and healing. Afterwards, recharge your batteries with a live sound bath facilitated by hands-on energy wizard Bruce Hauschildt and healing practitioner Julia Bystrova. Receive from this multi-dimensional field of healing intention. Hosted by EoMega in collaboration with Era of Care and Ancient Technologies.

*Doors open 6:30pm*
